Policy Specifics and Procedures

The Governance and Compensation Committee is responsible for conducting the annual review of the President, taking into account the President’s self-assessment report, proposed priorities and goals, and the VCU Executive Compensation Philosophy.

No later than the May meeting of the Board of Visitors, the Rector initiates the annual process for the evaluation of the President for the year (generally, July 1 through June 30 of current fiscal year). The annual process includes the President’s self-assessment of the approved priorities and goals for that year and the President’s presentation of proposed or updated priorities and goals for the following year. The President’s self-assessment will be in a mutually agreed-upon form and may include qualitative and quantitative measures of the President’s performance, as well as the progress of Virginia Commonwealth University and the VCU Health System Authority.

The President’s self-assessment should include the following:

- Progress on meeting the mutually agreed upon and established priorities and goals.
- The President’s assessment of the overall academic quality of the University.
- The President’s assessment of the financial status of the University and the Health System.
- The President’s assessment of the challenges facing the University and the Health System.
- The identification of any professional development the President wishes to pursue.
- Priorities and goals proposed by the President for the upcoming year to review as part of the Annual Review process.
- Other issues or topics as determined by the GCC or full Board.

The GCC will solicit written observations on the President’s performance from each member of the Board utilizing an appraisal instrument similar to the template in Attachment A.

The President will submit the written self-assessment and proposed (or updated) priorities and goals to the GCC no less than thirty (30) days in advance of the Board’s retreat, which is generally held in August. Concurrent with the transmittal of the self-assessment, the President will also provide a full accounting of all earned outside income for the previous year from service on boards of directors and any other source, as required by the Commonwealth’s annual budget act and any other applicable source.
Prior to the Retreat, the GCC shall review the appraisal results, president’s self-assessment report, full accounting of earned outside income and proposed goals for the year. The President will present his self-assessment report and proposed priorities and goals for the year in a closed session meeting with the Board at its retreat or at the next occurring meeting of the Board.

The GCC will formulate a recommendation to the full Board, in consultation with the President, regarding the evaluation and any compensation adjustments for the President at the next occurring meeting of the Board. Following the closed session meeting with the President, the GCC will finalize the President’s evaluation and goals for the year and share the final evaluation, and priorities and goals for the year to the President and the Board in a written letter. The GCC’s letter will detail the results of the annual review, any changes to the president’s contract or compensation, and the priorities and goals for the upcoming year. It is anticipated that this process will be completed no later than October 1 of each year.

The written self-assessment, full accounting of earned outside income, final evaluation of the President as well as any evaluation-related documents and notes are part of the President’s confidential personnel record. The President’s compensation is public information.

As an alternative, the Board may elect to conduct a periodic comprehensive evaluation of the President at its discretion. A comprehensive evaluation is a review of the President’s performance, which seeks stakeholder input and may include the hiring of an external evaluator or facilitator for the process. In the year a comprehensive evaluation is conducted, it is performed in lieu of the annual review.

**COMPENSATION**

The GCC is responsible for conducting a compensation review and recommending the President’s compensation package to the full Board for approval each year. The annual compensation review will consider both performance- and market-based criteria, which includes but are not limited to:

- The results of the Annual Review or the Comprehensive Evaluation;
- The VCU Executive Compensation Philosophy;
- A market analysis of University President compensation among comparable institutions; and
- Other documentation deemed to be relevant.

The GCC may engage an independent compensation consultant to provide market analysis, regulatory updates and other support to assist the GCC in its compensation review and to provide educational resources for the full Board.
